

Making number stories - subtraction

This is my story: $100 - 45 = 55$

Sam had a bar of chocolate 100 cm long.
He had eaten 45 cm of it.
He had 55 cm left.

Try these:

1. $100 - 25 = 75$ _____

2. $100 - 85 = 15$ _____

3. $90 - 35 = 55$ _____
