Making number stories - division

This is my story: $32 \div 4 = 8$
The 32 children in the class were put into 4 equal teams, red, blue, green and yellow.
There were 8 children in each team.

Try these:

1. $28 \div 2 = 14$ _____

_____

_____

_____

2. $50 \div 5 = 10$ _____

_____

_____

_____

3. $100 \div 10 = 10$ _____

_____

_____

_____
