Year 2: Lines of symmetry

Maths worksheets from mathsblog.co.uk and urbrainy.com

Cut out the shape and unfold it

When a shape can be folded in half so that the two halves match it is called a SYMMETRICAL shape.

Try folding, drawing and cutting out your own shapes which are symmetrical.

Year 2: Lines of symmetry

Maths worksheets from mathsblog.co.uk and urbrainy.com

A mirror placed along the centre line can be helpful with this.
