

One to nine (1)
 Maths worksheets from mathsblog.co.uk

Using each of the numbers below, complete the six number sentences: three across and three down.

Each number can only be used once.

1	2	3	4	5	6	7	8	9
---	---	---	---	---	---	---	---	---

	x		-		=	34
+		x		+		
	-		x		=	28
-		+		x		
	x		+		=	26
=		=		=		
11		20		40		

(Note: All calculations are made in the order that they appear.)

Bodmas does not apply.)
