

Multiplication and division hops

Maths worksheets from mathsblog.co.uk

Fill in the missing numbers
by following the hops.

1.

A sequence of eight blue hexagonal boxes arranged horizontally. Above the first box is the number 8. Above the second box is a red curved arrow with the multiplication symbol 'x 2' written above it. Above the third box is another red curved arrow with the same 'x 2' symbol. Above the fourth box is a yellow curved arrow with the division symbol '÷ 4' written above it. Above the fifth box is another yellow curved arrow with the same '÷ 4' symbol. Above the sixth box is a red curved arrow with the 'x 2' symbol. Above the seventh box is another red curved arrow with the same 'x 2' symbol. Above the eighth box is a red curved arrow with the 'x 2' symbol.

2.

A sequence of nine blue hexagonal boxes arranged horizontally. Above the second box is the number 6. Above the third box is a red curved arrow with the 'x 6' symbol. Above the fourth box is another red curved arrow with the same 'x 6' symbol. Above the fifth box is a yellow curved arrow with the '÷ 3' symbol. Above the sixth box is another yellow curved arrow with the same '÷ 3' symbol. Above the seventh box is a red curved arrow with the 'x 6' symbol. Above the eighth box is another red curved arrow with the same 'x 6' symbol.

3.

A sequence of nine blue hexagonal boxes arranged horizontally. Above the second box is the letter 'q'. Above the third box is a red curved arrow with the 'x 9' symbol. Above the fourth box is a yellow curved arrow with the '÷ 3' symbol. Above the fifth box is a red curved arrow with the 'x 9' symbol. Above the sixth box is a yellow curved arrow with the '÷ 3' symbol. Above the seventh box is a red curved arrow with the 'x 9' symbol. Above the eighth box is a yellow curved arrow with the '÷ 3' symbol.

4.

A sequence of nine blue hexagonal boxes arranged horizontally. Above the first box is the number 4. Above the second box is a red curved arrow with the 'x 4' symbol. Above the third box is another red curved arrow with the same 'x 4' symbol. Above the fourth box is a yellow curved arrow with the '÷ 8' symbol. Above the fifth box is another yellow curved arrow with the same '÷ 8' symbol. Above the sixth box is a red curved arrow with the 'x 4' symbol. Above the seventh box is another red curved arrow with the same 'x 4' symbol. Above the eighth box is a yellow curved arrow with the '÷ 8' symbol.

5.

A sequence of nine blue hexagonal boxes arranged horizontally. Above the second box is the number 24. Above the third box is a red curved arrow with the 'x 6' symbol. Above the fourth box is a yellow curved arrow with the '÷ 2' symbol. Above the fifth box is another yellow curved arrow with the same '÷ 2' symbol. Above the sixth box is a red curved arrow with the 'x 6' symbol. Above the seventh box is another yellow curved arrow with the same '÷ 2' symbol. Above the eighth box is a red curved arrow with the 'x 6' symbol.
