

### Making number stories - addition

This is my number story:

$$125 + 145 = 270$$

Class 3B made a school magazine.  
They sold 125 to parents and 145 to  
children.

Altogether they sold 270.

Try these:

1.  $155 + 105 = 260$  \_\_\_\_\_

---

---

---

2.  $210 + 245 = 455$  \_\_\_\_\_

---

---

---

2.  $135 + 225 = 360$  \_\_\_\_\_

---

---

---
