

Making number stories - addition

This is my number story:

$$150 + 85 = 235$$

A printer cost £150 and a new scanner cost £85.

They cost £235 altogether.

Try these:

1. $290 + 75 = 365$ _____

2. $170 + 330 = 500$ _____

2. $215 + 140 = 355$ _____
