

### One centimetre

Hi! Are you ready for some facts about measurement?  
Here goes!

This line is about one centimetre long: —

Here are some more lines which are about one centimetre long.

One centimetre is a lot of writing for me!  
Did you know that you can shorten it to **1cm** ?

Draw 5 lines which are shorter than 1 cm.

Draw 5 lines which are longer than 1 cm.
