

**Making number stories - multiplication**

This is my story:  $10 \times 3 = 30$

Tom, Tim and Tammy each got 10 gold stars for hard work last week.

Altogether they got 30 gold stars.

Try these:

1.  $10 \times 2 = 20$

---

---

---

---

2.  $5 \times 3 = 15$

---

---

---

---
