

Year 4: Find a difference by counting up

Maths worksheets from mathsblog.co.uk

1. $2003 - 8 =$

2. $3005 - 7 =$

3. $4006 - 8 =$

4. $5002 - 6 =$

5. $7006 - 9 =$

You can do these by taking from the whole thousands and then counting up, or by counting back.

Take **6** from these numbers:

6. 4001

7. 8005

8. 5000

9. 6003

10. 2005

11. 1004

Year 4: Find a difference by counting up
