

Weather graph (2)

Maths worksheets from mathsblog.co.uk

Line graph: How hot is it in Paris?

Here are the average minimum and maximum temperatures for Paris for each month of the year.

Minimum temperature $^{\circ}\text{C}$

J	F	M	A	M	J	J	A	S	O	N	D
2	3	5	7	10	13	15	15	13	9	5	3

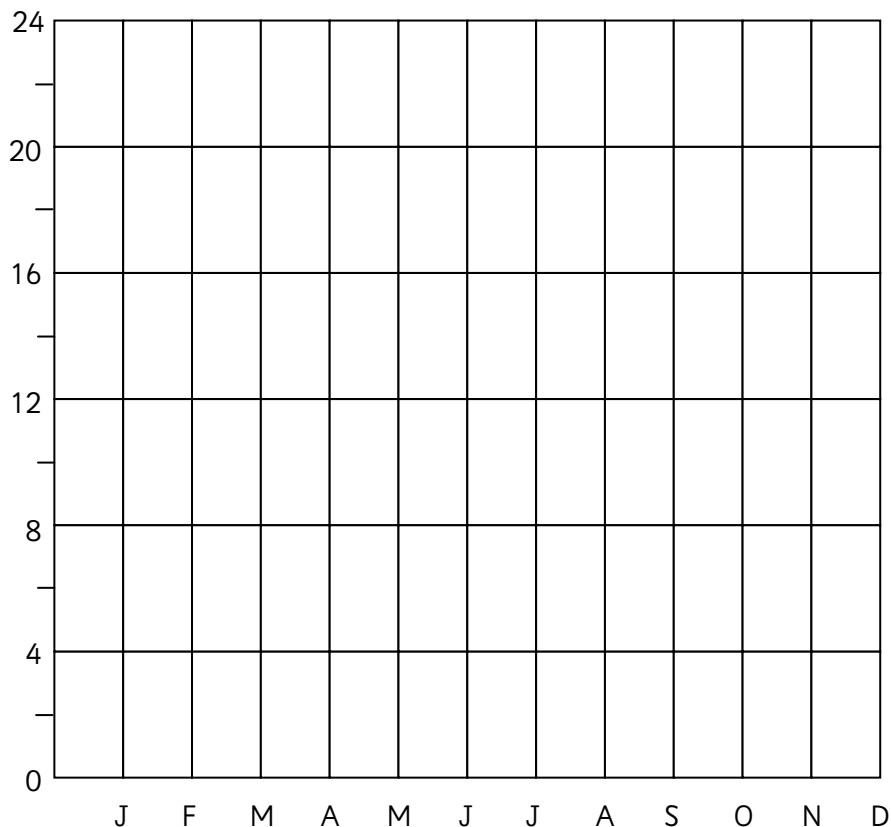

Maximum temperature $^{\circ}\text{C}$

J	F	M	A	M	J	J	A	S	O	N	D
6	8	11	15	18	22	24	24	21	16	10	7

Use the figures above for minimum and maximum temperatures to complete the line graph below. Use a red line for the maximum and a blue line for the minimum temperatures.

Be careful to include a title, and to label the axes and temperature lines.

Title:

Answer

Average monthly maximum and minimum temperatures in Paris
