

More mental division practice
Maths worksheets from mathsblog.co.uk

Tip: learning the 2x, 3x, 4x, 5x and 10x tables makes these really easy!

Good luck!

1. $18 \div 2 = \square$

2. $30 \div 5 = \square$

3. $18 \div 2 = \square$

4. $40 \div 5 = \square$

5. $80 \div 10 = \square$

6. $30 \div 5 = \square$

7. $12 \div \square = 2$

8. $20 \div \square = 10$

9. $15 \div \square = 3$

10. $40 \div \square = 4$

11. $28 \div 2 = \square$

12. $24 \div 3 = \square$

13. $22 \div 2 = \square$

14. $30 \div 3 = \square$
