

How many ways to score 12 with 3 dice

Take 3 dice.

Use them to help you find how many different ways you can score 12 by rolling all of them.

Here's a chart to help you find out.

Die 1	Die 2	Die 3	Total

3 dice problem

Possible answers

Children need to make decisions eg is 6 4 2 the same as 2 4 6 ?

Look for a systematic approach such as:

6 5 1

6 4 2

6 3 3

5 5 2

5 4 3

4 4 4
