

# Graph of favourite animals at the zoo.

Maths worksheets from [mathsblog.co.uk](http://mathsblog.co.uk)

Class 3A and 3B went to the zoo. This is a graph of their favourite animals.

1. How many children liked pandas?

2. How many children preferred lions?

3. Which animal is the most popular?

4. What animals do you think might be in the 'other' bar?

5. How many more children liked giraffes than snakes?

6. How many more children liked monkeys than lions?

7. Which two animals got the same number of votes?

8. Which animal would be your favourite?

Graph of favourite animals at the zoo.
